Act and help us to reduce environmental impact!

OilTools Services LLP is committed to being environmentally aware and to reducing the company's impact on the environment.

We intend to adopt and maintain procedures that will help the environment, and make the workplace a location where green and environmental issues are discussed and implemented.

We intend to adopt and maintain environmental policies as part of our corporate strategy, and encourage our customers and suppliers to do the same.

We recognize that we have a responsibility towards the environment, and that it is our duty to do all in our power to protect it.

As part of the measures that we will have identified as means of protecting the environment, we intend to:

- Reduce our energy consumption;
- Reduce our water consumption;
- Recycle paper products;
- Substitute plastics with other materials;
- Reduce pollution;
- Minimize our waste;
- Implement all best practices useful to reducing our environmental impact;
- Ensure that our ideas are understood and adopted by all of our staff;
- Encourage others to follow our example; and
- Promote the adoption of Green Policies amongst our clients and suppliers.
